Analyzing Your SWOT

- Which of my strengths directly address my biggest threats?
(That shows you where you're already protected.)
- Which strengths can I leverage into those opportunities?
(That's where your energy should go.)
- Weaknesses: Are any of these blocking me from pursuing key opportunities? If so, can I fix them, work around them, or partner with someone who's strong there?
- Threats: Which ones actually matter to my specific goals, and which am I just worrying about?
(That filters out noise.)
